# DEPARTMENT OF PHYSIOLOGY

## **Books recommended to students:**

- Deciding which textbook to buy is not an easy task.
- Choice of a textbook depends on the individual and his or her aptitude.
- It is desirable and certainly helpful if each student has one text book out of the recommended list of textbooks.
- It is suggested that you browse through each one and take your time before you decide which textbook to buy.
- Remember there is no ideal textbook; all share their imperfections and limitations.
- If in doubt do not hesitate to consult your teachers.
- Do not waste your money buying guides, notes, previous university question papers answered and such books.
- Always ask for the latest editions of the Textbooks
